

SUMMERWORKS

A paying job and career development

You'll take part in career skills and job readiness workshops, receive mentoring and social supports, and be placed in a job that gives back to the community — all while earning a paycheck.

The program offers in-person worksites* and remote project based work that helps you gain skills and explore different pathways.

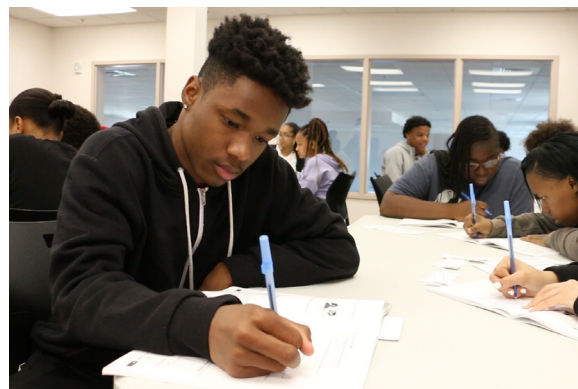

We offer remote placements as well.

ELIGIBILITY:

- **Boston residents**
- **Age 14 to 21**
- **Income-eligible**

Supporting documents can be uploaded directly using the online application, but limited appointments are available for those without internet access.

* *Pending COVID restrictions*
